

Tax Efficient Giving

Irish Community Rapid Response (ICRR) is a registered charity in Ireland (CHY 18454) so you can enjoy tax relief on annual donations of €250 or more and the upper limit to the amount you can donate is €1million.

Irish Community Rapid Response (ICRR) can claim tax relief on donations over €250 that we receive from Irish tax payers. This allows us to make much more of the contribution you are making to our work. In addition, corporate donors can claim a deduction in their tax liability for donations made to support our work.

Donations from PAYE and Self-Assessed Donors

Since January 2013, a blended rate of 31% relief applies to charitable donations of €250 or more. If you make a donation of €250 we can turn that into a contribution to our work that is worth €362 by claiming tax associated with your gift of €112 and at no extra cost to you. This applies whether you are a PAYE taxpayer or a self-assessed taxpayer. There is a €1million donation limit per individual after which the tax relief will not apply.

Tax refunds on your donations will be made to Irish Community Rapid Response (ICRR) after related annual tax returns are filed by you or on your behalf. You can make an enduring declaration of support for 5 years, which means that you will no longer have to fill and submit the form CHY3 every year.

Company Donors

If your company donates €1,000 to Irish Community Rapid Response (ICRR), assuming a corporation tax rate of 12.5%, the relief available to your company is €125. Your company needs to claim a deduction for the donation as if it were a trading expense.

Stress-free Giving

Irish Community Rapid Response (ICRR) greatly appreciates your generosity, so there is no need to look up or download and print the charitable donation forms. At the close of the tax year in which you donate €250 or above, we will send you Forms CHY3 or CHY4 (whichever is applicable). They will only need your verification and signature.
